

WORKPLACE SAFETY AWARD APPLICATION

ABOUT THE AWARD

The Utah Manufacturers Association salutes companies that have made workplace safety a top priority. The Utah Manufacturers Association Workplace Safety Awards provide recognition for companies based on best practices for eliminating workplace injuries. The Safety Conference Award committee will evaluate the submissions. 2018 Workplace Safety Award recipients will be notified in advance of the 7th Annual Safety Conference, which will be held on Wednesday, April 11, 2018 at Little America Hotel in Salt Lake City.

ELIGIBILITY

Recognizing that companies of different sizes face different challenges in their safety programs, awards will be presented for several different categories according to number of employees. The ranges of company sizes and categories are as follows: 1 to 50 Employees, 51 to 100 Employees, 101 to 250 employees, 251 to 500 employees, 501 employees and up. We anticipate this format will afford more opportunity for additional companies to compete with like-sized companies.

APPLICATION MATERIALS REQUIRED

Name of Company, Contact, Email, Phone, Number of employees

1. What are your company's safety and health goals.
2. How do you measure the success of workplace safety in your company?
3. What opportunities are given to your employees to engage in your workplace safety and health management program?
4. How does your company continuously improve safety.
5. What safety incentives are you doing?
6. How does workplace safety and health information flow from management to employees and then back from employees to management?
7. What are you doing with safety that is unique?
